Hello everyone,

Very nice to see you at the meeting today. I've attached the corrected notes from the January meeting, as well as the notes from today's meeting.

Best,

Good night,

The link is below and I shared it with you, as well. (Hopefully, I have gotten better at sharing on the 1st try.) The agenda is available on Google Drive. In addition, you can find the notes from the last meeting by clicking the word "notes/minutes" in Part A, Subsection 1.

It should be noted that we may have to move some things around due to time and circumstances - which is noted on the agenda.

If there is anything I was remiss about or that you feel should be added to the agenda, please let me know.
